

Dear Friend,

How are things going? I've got some new information for you on how to order your free annual credit report. I wanted to let you know about it ASAP. This is now the best, easiest, and least expensive way to get copies of your credit reports. Please put this information inside your copy of **Bounce Back From Bankruptcy**. (I recommend you put these papers between pages 26 and 27 and cross out the information on those two pages that's out of date).

The credit bureaus all decided to change their mailing addresses. They closed the post office boxes listed in the book without any forwarding address!

Innovis has a new mail-in form all its own. The other three are making it much easier for you to order your annual report. They've joined together to have a single clearinghouse handle the mailed-in credit report requests. The following pages contain the forms you'll need to use.

Fill out each form, photocopy it and send the form to the address listed, filling in the circles for all three credit reporting bureaus on the combined report. I also recommend checking the box saying you'd like to have them only use the last 4 digits of your Social Security Number, for security purposes. Then mail each form certified, with a return receipt requested, so you know when they've received the request. Be sure to photocopy your driver's license, passport or utility bill – whatever has your current address on it so they have proof it's you!

Let me know how your life after bankruptcy is unfolding!

Peace and prosperity,
